Text by Mary Carey

It's me! It's me! It's me! Once again, Mary Carey, your very, very exciting co-publisher! How's all the hot sweaty sex going out there in SWANK-land? And SWANK-land is getting bigger all the time! According to our latest sales figures, more of you horny guys and gals are reading and wanking off to us than ever before! Yay! And is it any wonder? What do you think we are doing here all day—arriving late, leaving early, and taking two-hour lunches at some Chinese restaurant? C'mon! Ron and I are working our butts off and it shows! Well, lots of letters to get to this month, no time for too much chatting here, so let's get right down to the good stuff—which as always, is you!

MARY: Twins! Twins! Twins! Yes, Gerald, everyone loves twins and has hardcore fantasies about them—including me!

Lusts The "Love Twins!"

Your May 2008 issue should be bronzed in gold. What I'm saying is, "The Love Twins" layout... wow! I just love twins! In fact, I can't imagine anything more exciting than exact twins involved in some sort of sexual thing, you know what I mean, Mary? How many actual XXX twins are running around loose in porno these days, Mary, and can we expect to see more in future editions?

**Gerald K.
Canton, Ohio**

Lesbos Rock His Cock!

Hey! Gotta love the lesbo-thing you did in the May 2008 edition with Eva and Kieta. Kieta? What kind of fucking name is that? Anyway you have to love the ladies when they get it on one-on-one without a dick around. Who wants to see a fucking dick anyway? I don't even want to see my dick! Every time I start to jerk-off I feel like some kind of weirdo, know what I mean? But thanks for the girl-girl action, Eva and Kieta, (no matter how strange her name is), are the fucking best!

**Stan G.
Houston, Texas**

MARY: Thanks for your nice words, Stan. Like a lot of our readers, we truly appreciate the excitement of muff-on-muff mating, so be sure to check out page 42 in this issue and see our all-girl threesome! As you all know the vast majority of porn scenes I have made in my X-career have been lesbian ones. In fact, for my first few years in XXX that's just about all I did—eat pussy! So, looks like we're all on the same page. Thanks!

Wants More "Wanted Nudes"!

I just wanted to write to let you know how much I appreciate your monthly "Wanted Nude Pictures" section, as the girl featured in the May issue, Marina, was a real hottie. I always prefer these amateur-kind of girls who are not all

porned-out and skanked up after years and years of getting their brains fucked out. I see all kinds of great looking babes here in the small town I live in, but, shit, you can't get them naked or get them to fuck you if your life depended on it. So getting to see some real-deal amateur girls give it up is sure sweet!

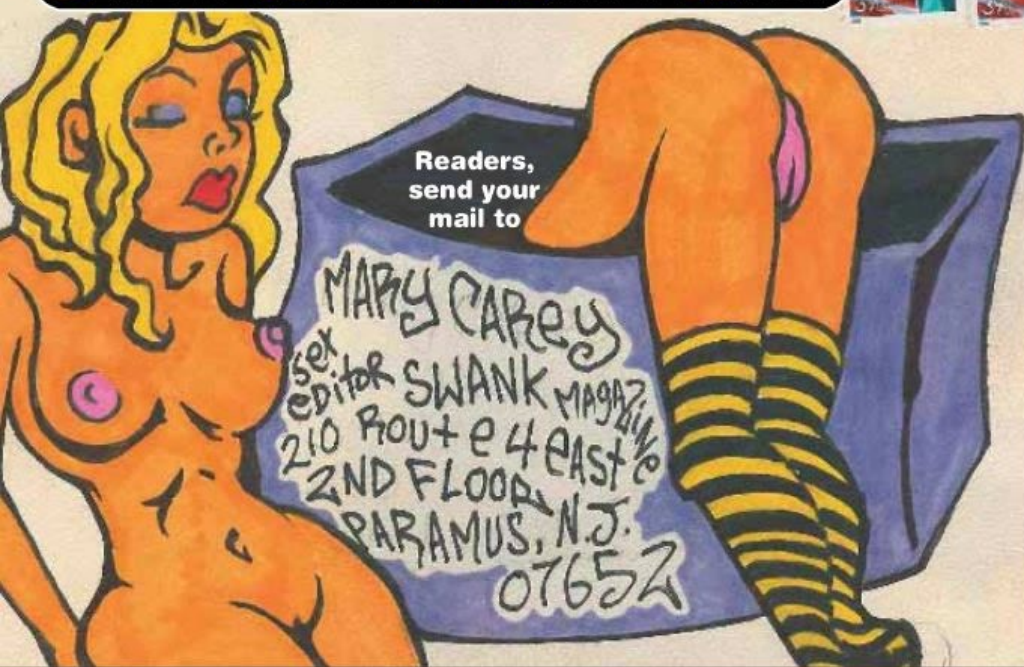

**George T.
Ardsley, New York**

Dear Mary Carey
Oh my god I got no
problems getting naked
for a camera, you give
me a time, and place
I'll shoot the movie
for free just so I
could bang your hot
sexy body. I'm not a bad
looking guy 6'2 dark
haits, 165 about a
7-8 inch dick, about
165 pounds you want
me for a fuck film

I Love you ISAAC

SEALED WITH A NASTY KISS!

MARY: Glad you like our non-pro "Wanted Nude Pictures" segment, George. We get a lot of mail similar to yours about it, so I thought I would make a couple of comments using your letter as an example. These days a lot of porno mags that used to have amateur sections such as ours are dropping them because they are so difficult to come up and get together each month. Dealing with professional porn stars is one thing, but doing all the stuff you have to do to get real "girls next door" to take it all off, and get all the right documents and releases and everything, well, it is quite time intensive. But we think it's well worth it, and with girls like Marina, obviously it is! So keep on enjoying "Wanted Nude Pictures" each month, George, because we are going to keep on giving it to you—hard!

Porn Magazine Survival?

Thanks for taking the time to read my letter. I have been meaning to write for a long time now, but in this place where I have been staying for a while, they call it an institution—whatever that means, they don't often let me use a pen or pencil and it's really hard to be serious writing all day with a red crayon, you know! Anyway, this place where I am staying, there's little to do all day but read magazines, and although technically we are not allowed to have them, someone or other always sneaks in some pornos, including SWANK, which is my favorite. But Donny, who is in the cell, er, I mean, room, next to mine,

keeps telling me that porn magazines will soon be all extinct and out of business, and then we will really be bored around here. Is this true, are porn magazines going the way of the dinosaur? Say it ain't so, Mary, or I swear, I will hold my breath!

Ronald C.
Pelican Bay, California

MARY: Don't hold your breath, Ronald, please! And no, porn magazines are definitely not going to disappear, now, or anytime soon. What your pal in the next cell, er, I mean, room, Donny is referring to is the ongoing migration of porn fans in general from just looking at adult publications to being interested in a more overall diverse landscape of XXX entertainments choices, ranging from DVDs, to the internet, to live X-performances. It used to be that just porn mags had the horny attentions of the hardcore-loving populace at large, and that's the way it was since the start of all things sexy back since the early 1900's, but now technology has caught up to mainstream carnalizing, so adult magazines have to allow for

other forms of competition. But it's all good, because holding a porn magazine in one hand, and masturbating with the other is never going to go out of style, trust me. Especially in institutions, er, I mean, places, like you are staying at the moment. So don't sweat it—and don't hold your breath!

So Many Porn Parties— So Little Time!

Hey Mary, got a question for you. A few years ago me and some of my moron friends my friends and I flew out to Las Vegas to go to that annual Adult Entertainment Expo porn convention sponsored by that AVN porn trade mag. It was kind of fun seeing all the big-boobed porn chicks and shit, but overall it was pretty tame, we wanted to see fucking in the streets, and all we got were a bunch of girls in g-strings. Whatever. But then we started hearing about these other porno conventions in

other countries where the shit really goes down, if you know what I mean. Now that most of us have lost our jobs because of this lousy economy, and have lots of free time on our hands, we would like to go overseas and see one of these really X-rated porn conventions, so can you suggest one? Cool Mary, thanks, you rock!

Wallace G.
Salem, Oregon

MARY: The annual Adult Entertainment Expo (AEE) in Las Vegas is certainly one of the most famous and well-attended porn conventions in all of the world, but you are right, Wallace, local laws and regulations make it totally illegal for the thousands of girls attending to even flash their tits, let alone, as you put it, start "fucking in the streets." And while I don't know of any porn shows anywhere that literally has fucking in the streets, there are some that come damn close. In fact, from Mexico to Brazil, from France to Norway, and from Canada to Russia, almost every XXX show out there is more racy than the ones in the US like the AEE. Some of the hotter ones include the annual gash bash in Berlin, Germany, and Brussels, Belgium, but the most hardcore one of all time remains the yearly show held in October in Barcelona, Spain, where actually on-stage sucking and fucking does go on, live as the crowd watches. In fact sometimes some actual crowd members are invited on stage to join in! Want to go? Just go to their website www.ficeb.com, and sign up. And if you do go this year, Wallace, do us a favor and take your camera, and bring us back some pix, I want to see some "fucking in the streets" as well! □

SWANK EXCLUSIVE: *Carmen Basilio*

by Frank De Blase

**'I beat the shit
out of him!
That's the way
it went.'**

The champ was quick and mean. With just the hint of a smile threatening to crack, he faked left for my head and I blocked it as he got me good in the ribs with his right. I faltered. I folded. That's when he socked me in the jaw. I saw stars. I was stunned and a little worried. This fellow had beaten Sugar Ray Robinson, after all. He was a brutal fighter who didn't seem to mind being hit. And now here I was outmatched and outgunned.

I backed up, but he grinned and kept coming towards me. I was in the ropes. The ref stepped in and pushed us apart. And like that, it was over — my first encounter with the champ Carmen Basilio.

And as much as this sounds like a passage from boxing's glory days, it was just last week. There was no ring, there were no ropes; we were in the foyer of Basilio's Rochester, New York home. There was no ref; it was Basilio's wife, Josie. And though Basilio did indeed hit me a few times, the 79-year-old champ hung up his gloves a long time ago. Still, who knows what he would've done with me hadn't Josie stepped in.

"Now you can tell 'em an old man kicked your ass," he said with a laugh.

I was there to interview Basilio for Brian Hughes, my pal in England who was doing a book on the life of the late, great Sugar Ray Robinson. Basilio and Robinson had met twice in the ring — once in 1957 and again in 1958 — and Hughes wanted Basilio's take on Robinson for his book.

"He was an arrogant prick," Basilio says. "But he was a great fighter, no doubt about it. He was 5'10", I was 5'6". He had better leverage. He was tough. He was a vicious puncher."

Robinson apparently talked trash, too.

"There was no love between him and I," says Basilio. "As a matter of fact, he hated me, said he's gonna knock me out, he's gonna do this to me, do that. He didn't scare me."

Still, Basilio respected Robinson.

"He was saying he was gonna knock me out, but that was understandable," he says. "Because he knocked a lot of guys out."

The two finally came face to face for the Middleweight Championship title September 23, 1957 in front of 38,000 fans at Yankee Stadium. The fight was also broadcast to millions around the country. And they all watched Basilio win by decision after 15 rounds.

The two matched up again in 1958 in Chicago where Robinson took back the title in a bloody, 15 round battle.

Early into the fight, Basilio got cut. "He hit me in here," he says pointing at his eye, "and my left eye closed. For nine rounds I fought with one eye. I couldn't see."

Despite the outcome, Basilio is quick to point out that though he lost, he still

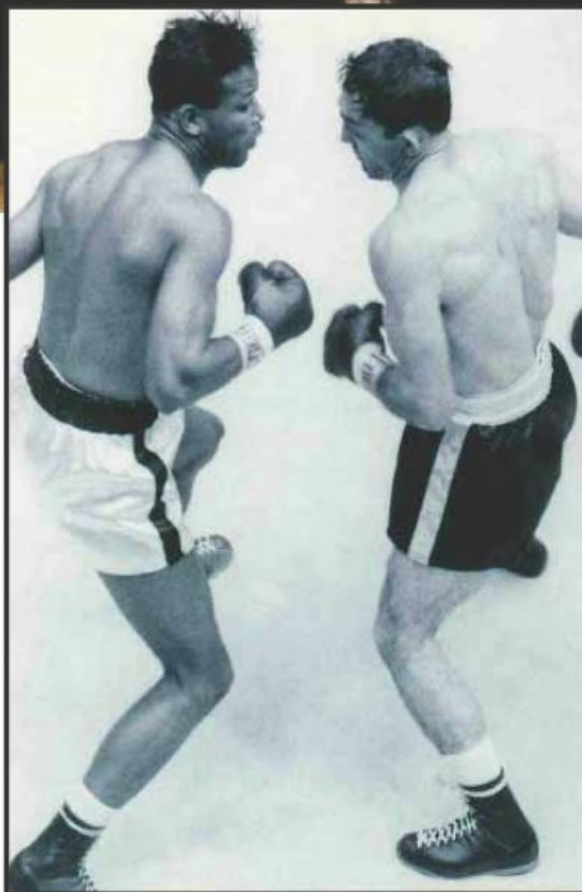

walked out of the ring. Robinson left on a stretcher.

"I beat the shit out of him," he says. "That's the way it went. Yeah, I walked out, but he got the decision."

What burns Basilio to this day, is the tie-breaker that never happened between him and Robinson.

"He would never fight me that third fight," he says. "Because he was afraid of me. I was too tough for him. If he had fought me that third fight we would've made a coupla million dollars apiece that night. He wouldn't fight me. He screwed around and screwed around and that was it."

That third fight would have also put to rest a lot of speculation. "I would've kicked his ass," Basilio says.

Carmen Basilio fought his last fight in Boston in 1961 and retired with a 56-16-7 record. He went on to teach physical education at LeMoyn College for 30 years.

"I was very fortunate," he says of his 13 years in the ring. "The fans loved me and they loved me especially at home. My friends all pulled for me. I gave them excitement. I gave them action. I was very, very aggressive. People came to see a fight and they got a fight when they saw me, 'cause I never backed up. I went forward the whole time, I'd go get my opponent."

The rec room in his basement is a shrine to his illustrious career, including some amazing shots of his two encounters with Robinson. Basilio watches fights whenever he can but none of the new fighters really knock him out, so to speak.

"Nobody impresses me right now," he says. The last fighter to impress him?

"My wife." □

Margold

'We Do Not Sleep Alone'

Exhausted by an elongated sexual shower scene during which I was able to muster up a couple of massive orgasms—thanks to the very willing presence of a very attractive adult actress named Marlene Munroe—I slipped down in the tub and passed out.

But I was almost immediately roused by the sound of a door slamming, and peeking out my back window, I was shocked to see Marlene scampering across my backyard, climbing over a fence, and heading toward a very remote dirt field. But what shocked me even more was that she was carrying my briefcase.

Throwing on my blue bathrobe with absolutely nothing underneath, I set off after the larcenous lady determined to get my briefcase back.

The bathrobe did very little to cover up the fact that I was naked under it, and even though the dirt field

was very remote, I could still see a few cars in the distance, and I wondered if the flopping and dangling parts of me could be seen by them.

Finally catching up with her, I demanded an explanation. The haughty dark-haired female looked at me with considerable scorn, and then began to lewdly rub her genitalia. Magnificent genitalia that I knew very well, since I been very intimate with it a number of times in the hours leading up to this moment. "That's not going to work on me, anymore," I said. "It doesn't have to," she proclaimed, "because my mission is done here," she added, looking upwards. "What mission?" I queried. And then I looked upwards as well.

And, damn if there wasn't a huge spaceship hovering over us. And as I watched her—now in the process of being morphed into something that I most certainly didn't remember just having sex with, being teleported up into the massive structure, I began to scream out the title of this column. And then I exploded into a million pieces.

The preceding, although much of it was done in post-production, was the finale of the oddest adult motion picture that I have ever been involved with.

In fact, at first, it wasn't even going to be a full-length film. But rather the project was simply designed to be a quartet of hardcore shorts wherein the producers were going to show off their special effect techniques by incorporating them into a miniseries of carnal confrontations with various human beings.

Late in 1977, a couple of good natured gentlemen named Don and Gil, who were partners in an adult bookstore that was located in the distant out-

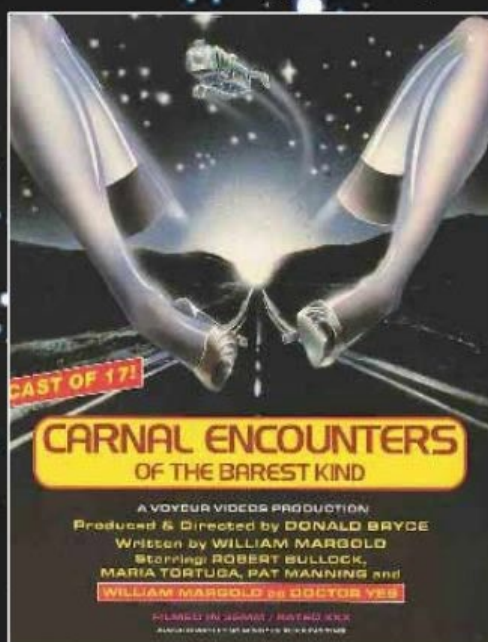

skirts of Los Angeles, in a town called Upland, visited the adult talent casting offices Of "Reb" Sunset International in Hollywood, expressing the desire to hire some talent to perform with such things as a dildo with a mind of its own, a couple of swingers from outer space, a two-headed creature, and a pair of lonely frogs who are transformed into horny young women by a fellow who was most certainly not from this planet. Combining stop motion animation, blue screen processes, and seemingly whatever they could cobble together from clay and kitchen

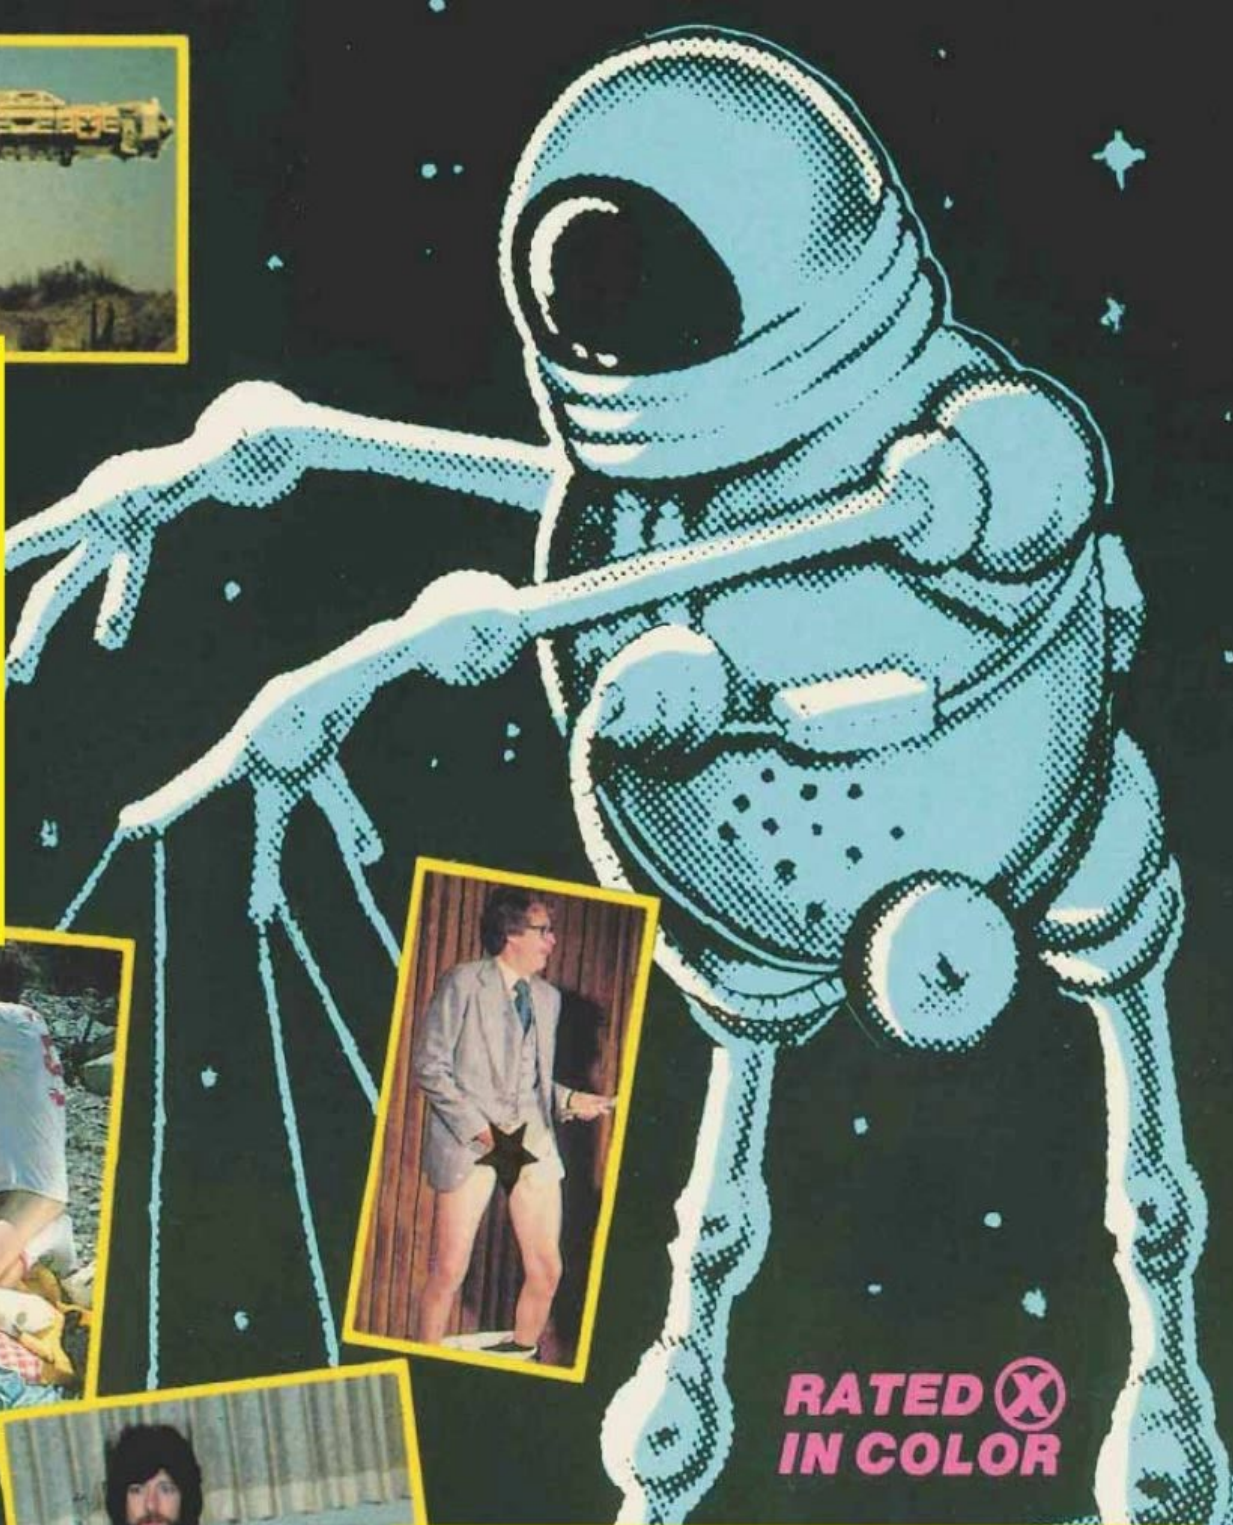

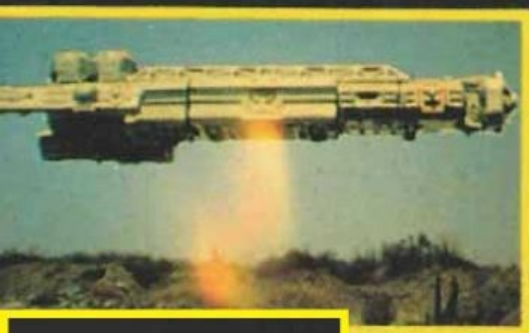

utensils, Don and Gil explained their project to me, oblivious to the fact that I had absolutely no idea whatsoever what they were talking about. However they were delighted that I could pull together a cast (including Pat Manning, Maria Tortuga, R.J. Reynolds, and Vicki Glick) for them quickly.

I even toyed with the idea of performing in one of the shorts myself, with whatever beasts they could muster up, but my schedule was overloaded with too many other frivolities to take part in anything else at that time.

Wishing them well, as I was counting their talent commission payment in full in advance (my policy in all first time business dealings), I quite frankly figured that I would never see them again.

But by April 1978, very much like eager puppies presenting me a bone, they were back in my office with a VCR player and examples of what they had come up with. I watched, amused at first, then intrigued, eventually engrossed, and finally, I became inspired. I boldly suggested to them that what they needed to do was to create a wrap-around concept, in which the four sci-fi fornicating shorts could become incorporated into a full-length feature that would capitalize on Steven Spielberg's just recently (late 1977) concocted "Close Encounters of the Third Kind." I quickly titled their project "Carnal Encounters of the Barest Kind." Continuing on a marketing and promotional roll, I proudly presented them with their ad line, "We Do Not Sleep Alone" at the same time. (The ad line for Spielberg's sci-fi epic was "We Are Not Alone"). And I even planted the seed of the film's poster design in their overheated minds.

RATED X
IN COLOR

While they sat there, I also came up with an outline that would be the perfect "tie-together" quickly inserting myself into the project as Dr. Yes, whom I described as a "noted alienologist" who was going to present the four erotic extraterrestrial episodes, which he had brought with him in the aforementioned briefcase to a class as conclusive copulating evidence that "there is something out there." As preliminarily designed, Dr. Yes was academic fraud, all full of himself and his blustery theories about hypersexual creatures from hedonistic galaxies that were far, far away, simply showing what appeared to be haphazardly created sci-fi stuff that he truly believed to be false.

But as I continued to fashion the very tall tale to make the other even taller tales work better, I decided to twist my own tale, and eventually my fate, into something a great deal more sinister.

So I came up with the character named Bonnie Blu who would eventually be portrayed by Ms. Monroe.

And I also inserted a couple of overheated students (played Nancy Patterson and Robert Bullock) into the mix, so that much more sex could be added to justify a full-length production.

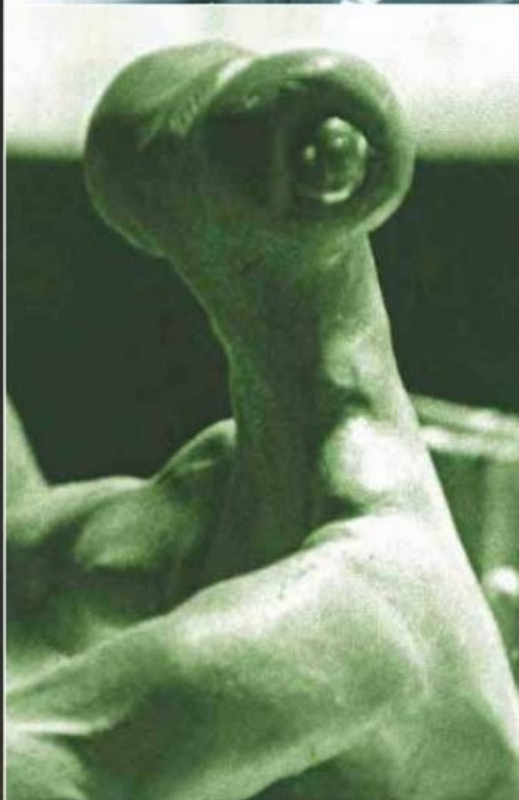

The filming took place in June 1978, out in the Upland area on two different Sundays when the locations (including a college campus) and that very remote dirt field would be less occupied.

We shot all of the school-based scenes first. I lectured fanatically, with the fervor of a "true believer" to an enthusiastic audience that consisted of stock footage that would be laid into the reverse shots at a later date. Herein the sex with outer space entities shorts were shown as proof positive of my proclamations. However, off in a corner of the auditorium, bombarded by my banter, Ms. Patterson started to suck off Mr. Bullock while he mocked my findings. Meanwhile, Ms. Monroe managed to work her way under my podium and proceeded to blow me while I tried to maintain my cool.

Exploding wildly at exactly the same time the podium fell away, I was truly caught with my pants down. So I proposed that the class take a break, while at the same time offering the young couple a chance to join Marlene and I for lunch.

That placed us outdoors in a secluded wooded area with nothing to do but to toss a football around, eat (during which I found a unique use for a pineapple ring as well as few pieces of fried chicken) and have a considerable amount of sex. Throughout this sequence I worked with Nancy, a lanky, small-breasted blonde, who was agreeably up (or down) for anything that I came up (or got down) with. Meanwhile, Bullock partook of the dark haired Ms. Monroe, who noting where the fried chicken came from, cunningly proclaimed that she enjoyed having sex while a distinguished older gentleman watched. Then, with the daylight dwindling, I announced that it was time to go back into the classroom to finish my lecture, during which the other two science frictional shorts were to be shown.

On the following Sunday, only Marlene and I had to return to Upland to play out the scenes that would complete the rest of the feature. Establishing the fact that we had bid Nancy and Robert farewell after class, Marlene proceeded to lure me into the shower sequence that kicked off this piece, and by the time that we had worked each other into

numerous states of arousal and release, I seriously doubt that I have ever been cleaner in my life. Marlene and I fit together remarkably well. Her fingers played happy havoc with erogenous zones of my body that were even new to me. I repaid the persistently pleasurable probes and prods with my own manual manipulations, and Marlene and I found ourselves at the end of each other's fleshy hooks, floundering helplessly, and gasping for air, as the powerful force of the shower beat down upon us. Don and Gil shot lots of footage, and they were delighted that right after I got off the first time, I was more than willing to keep on going until I got off again.

With my exhaustion truly justified, as noted in the opening of this installment of "Lays", I slid down and passed out.

Meanwhile, Marlene quickly threw on her dress, grabbed my briefcase and took off toward that very remote dirt field.

However, now the viewer was about to learn a great deal more about her, and where she was from, and what she really was. Indeed, while she was sent to debunk the supposedly false findings of Dr. Yes, she had perhaps played her role too well, and although she had discovered that his findings were real, she finds herself caught up in the discovery that her feelings derived during her time in the body form of a human being were starting to blur the primary objective of her assignment. Her quandary now was to either remain human forever, or to fulfill the responsibilities of her mission, which included taking all the evidence that I had acquired, and that was in my briefcase, back to her home planet located somewhere beyond our wildest imagination.

Sensing that a happy ending would be taking the easy way out, I had opted for a much darker side of the carnal cinematic cosmos.

And so it was that in the middle of a very remote dirt field in Upland on a hot Sunday afternoon in June 1978, I had written myself into a position that, when it was finally tweaked with numerous very violent and extremely noisy special effects, absolutely provided me with "The greatest blow job of my life." Note that I didn't say "The Best."

But every once in a while, compelling incidences of copulating creativity can be more even orgasmic than simply ejaculating on cue.

And during the filming of "CEBK", "Those Were" among "The" most memorable moments of my "Lays." □

XXX Reality

Hi everybody! How's it shakin'?! It's nice to be back here at my monthly *SWANK* column, as always! You know, my schedule is so hectic there are very few things I get to do on a regular basis in my life anymore—and that includes getting laid! But my deadline for writing you dudes every 30 days or so, that is set in stone, and I love it! It gives me something to set my cock by!

So I sure hope you dig it, too! Sometimes when I write this up every month I feel like I'm babbling away like a mental patient. You know, talking about this and that past and present—but then when it comes out, and I get flooded by mail, and email, and comments by *SWANK* readers on the streets how much they enjoy my ramblings, well, it makes it all worthwhile! So if I haven't said it enough, let me say it again: thank you, thank you, and thank you! You guys make this all worthwhile, you really do. And speaking of big thank you's, that brings us to the subject of this month's column in which I really have to say it once again, because dear *SWANK*-aholics, as of now, I have been officially declared a porno XXX legend. For real! Read on!

Yes, that's right. Just recently in Las Vegas, Nevada I was inducted into the "15th Annual Legends of Erotica" hall of fame at a public ceremony packed to the rafters with fans at the Showgirl Video erotic shop right on the Las Vegas strip. What an honor! No shit! It was one of the highlights of my hardcore career—and that's like 30 years now, and I was so thrilled that *SWANK* was able to send one of its top photogs to super-exclusively cover it all! Like the pix? Well, now let me tell you about how it all went down!

First off you should know that it wasn't just me who was inducted, but several of my fellow longtime on-screen pro-fornicators—let's hear it for; Debi Diamond, Mimi Miyagi, Brittany Andrews, Midori, and Kitten Natividad—hip hip hooray! I know them all, and they are deserve the honors as well! So there we were, one evening in Vegas, all brought together at this club for the ceremony. As always, the affair was conducted and supervised by my good friend William Margold, a former pornstar himself and now a big time adult industry activist and historian, and of course—a *SWANK* columnist! Now there are a lot of porno award shows these days, not just in the US, but all over the world. But Legends of Erotica is unique. Why? Here's what happened!

LEGENDS OF EROTICA
FRIDAY JANUARY 11 ' 2008 8PM
INDUCTED ' DEBI DIAMOND, MIDORI
RON JEREMY BRITTANY ANDREWS
MIMI MIYAGI KITTEN NATIVIDAD

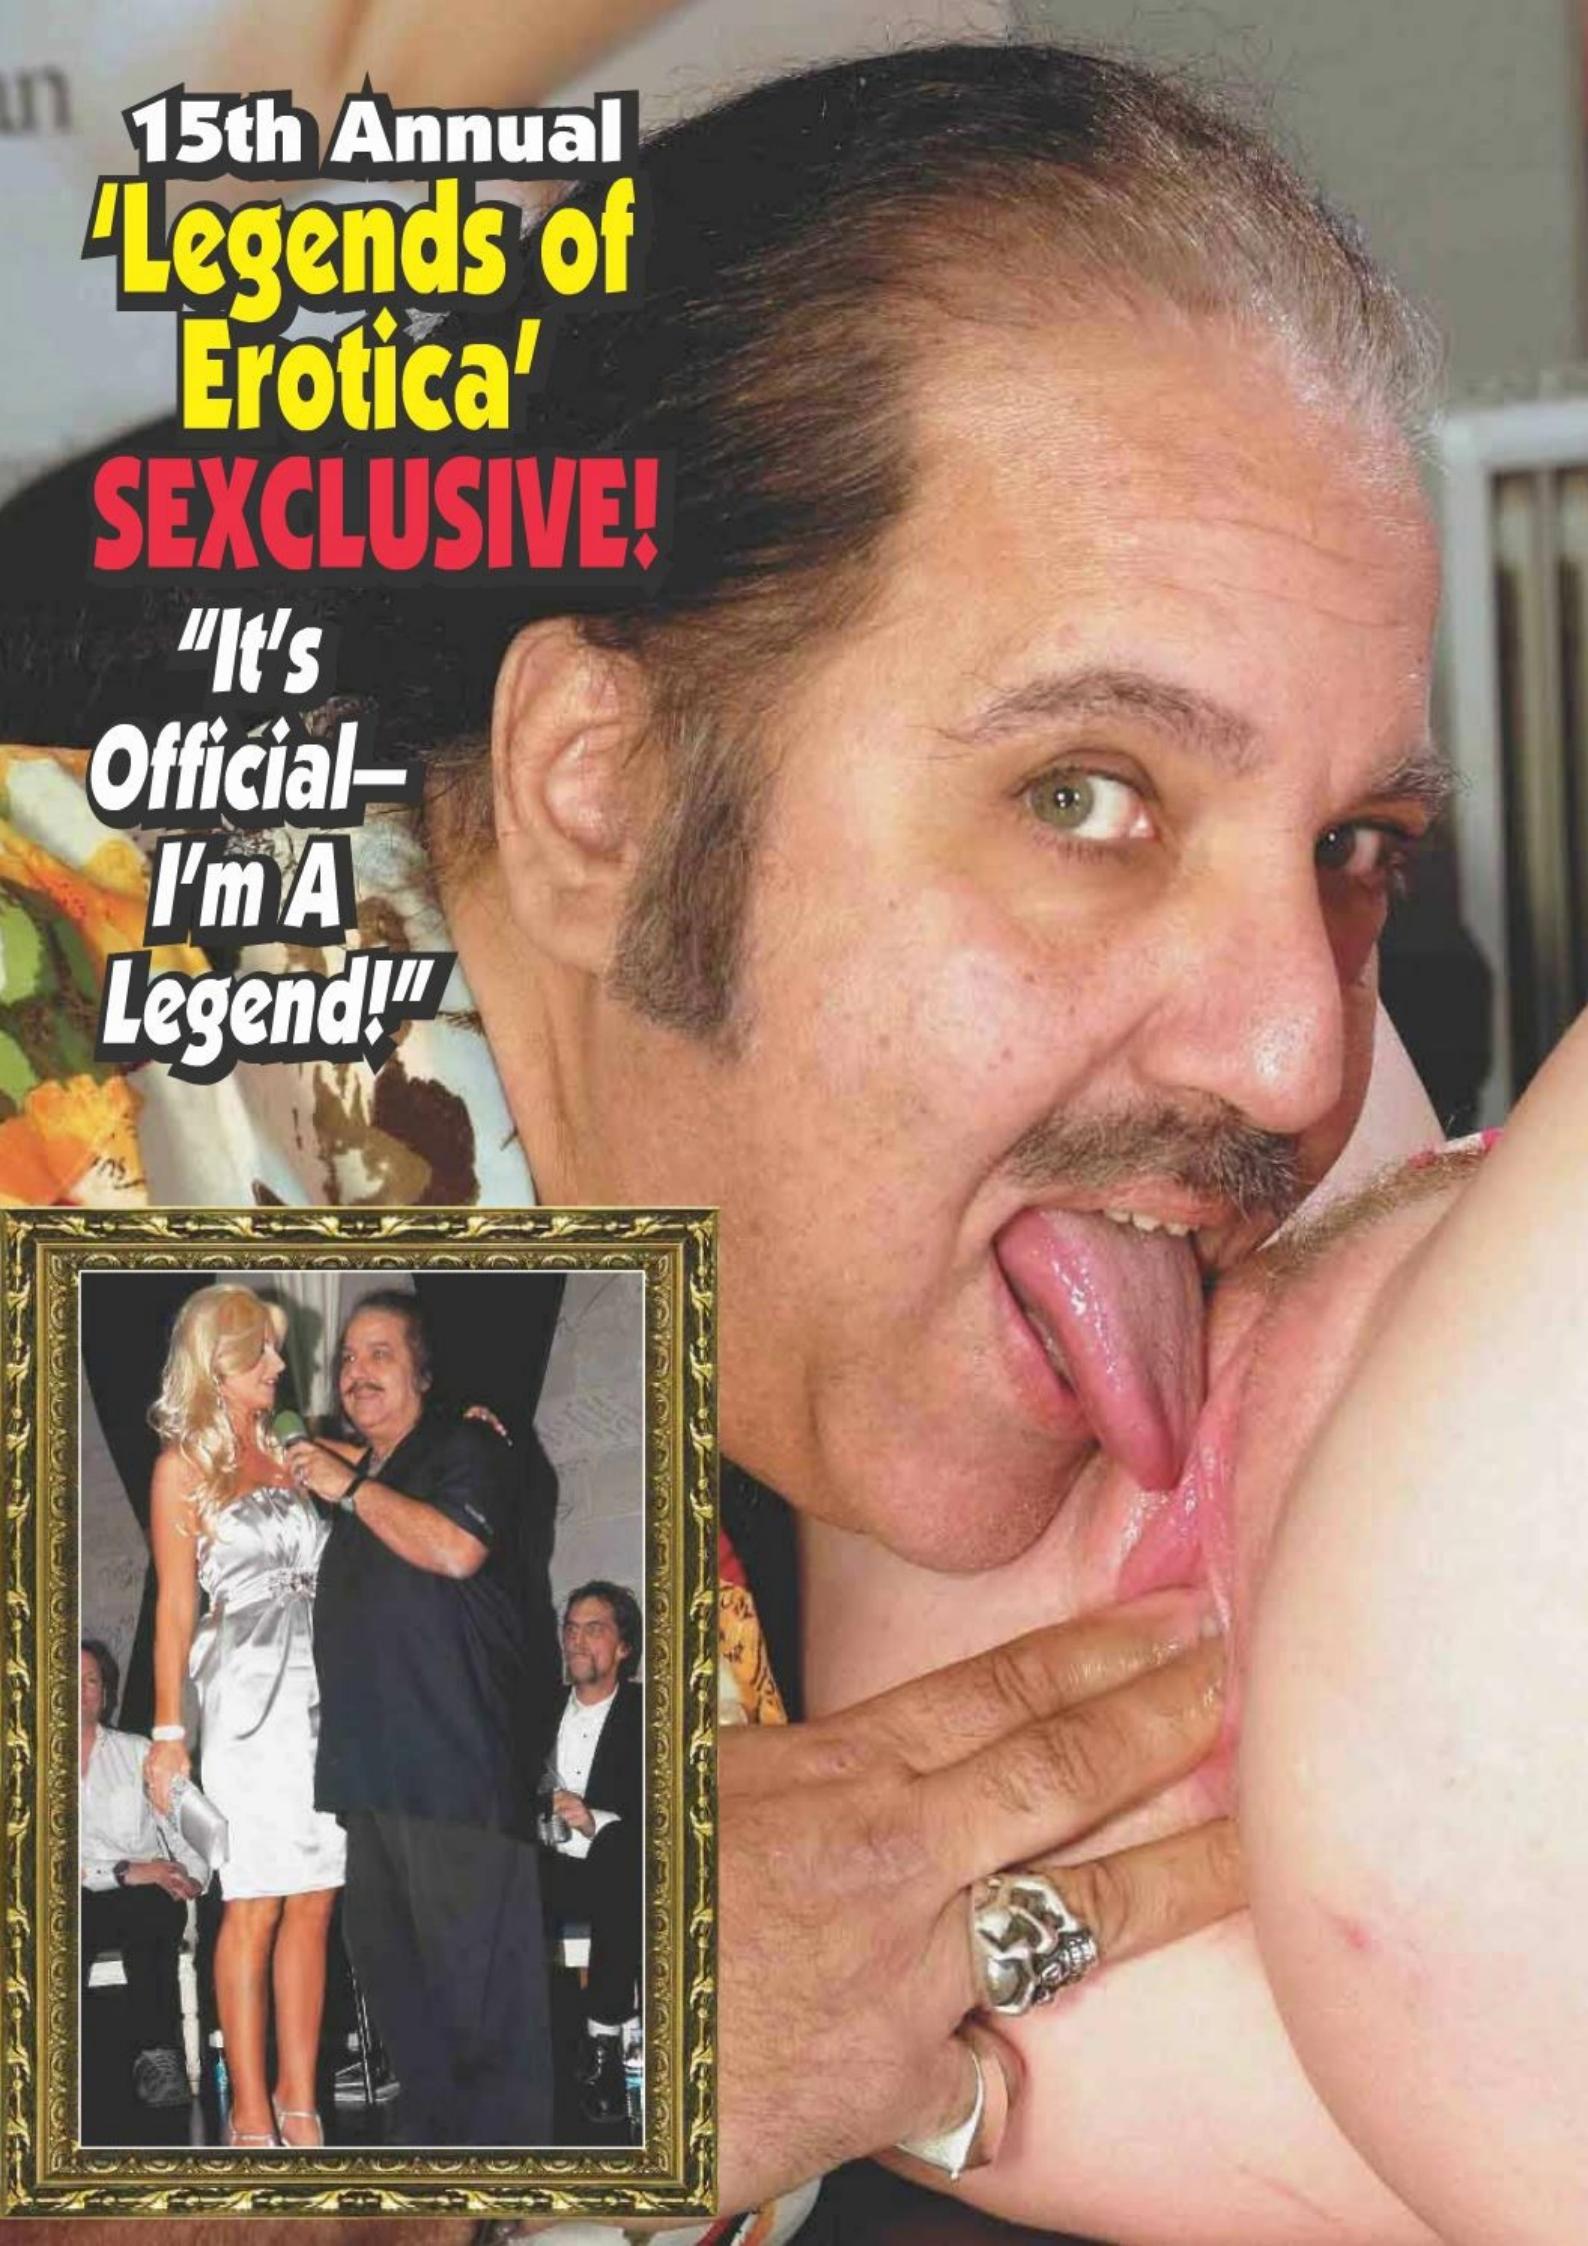

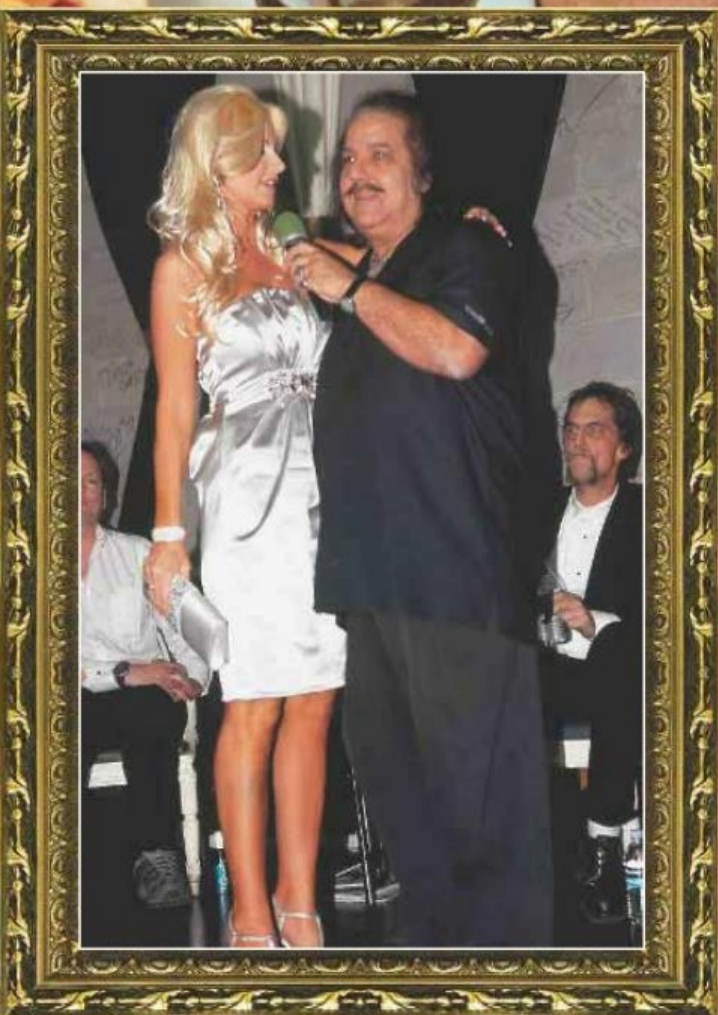

As they do every year, all of the porners to be inducted make an actual impression of themselves in wet cement, but unlike all of the mainstream celeb hands put into cement at Grauman's Chinese Theatre in Hollywood, we do it the XXX way—with cocks, tits, and ass! That's right! Each performer is supposed to select what intimate body part they want immortalized for all time in a cement replica! Yup! So all the chicks did their things with their sexy bits, with the dried results to wind up on the all of the club for all to see for all time (eventually the entire locale is supposed to be turned into a XXX museum of sorts). And the came my turn. Well folks, my only sexy body part is my cock—and even that is debatable—and the crowd start to scream for me to whip it out and stick it into the wet cement! Wow! I gotta tell you though, I've done a lot of strange things with my dick in my time, but friends, I make my living with my prick, and if you think I was gonna stick it into some wet cement—fuggedaboutit!

So then started a little controversy, right on stage in front of several hundred fans! The fans want me to stick my real dick in! And I am telling the event organizers,

give me one of my official "Ron Jeremy" silicone novelty cocks in they sell in the store—that was was made directly from my cock, so we can use that one, it's the same thing! So we got back and forth, and finally it looks like it's solved, they hand me my penis replica, I am about to stick it into the cement, and Debi Diamond, snatches it away from me and throws it in the crowd! The place goes crazy! Debi is leading the fans in yelling for me to really stick my cock in! Finally, order prevails! They hand me the fake dick back, I push it into the cement, and presto, my cock impression was capture—once again—for all time!

What an experience! It was hilarious I have to tell you—just look at these pictures! And seriously, quite an honor to be sure. But again I have to take my hat, and pants off to my fellow inductees! They all deserved the honor! Mimi Miyagi is one of the most famous Asian porn stars of all time, Midori, likewise, one of the most notorious African-American sex starlet we have ever had, Kitten Natividad goes all the way back to when she

was in all those classic Russ Meyer films like "Beneath the Valley of the Ultra Vixens" and others, as well as a great big tit XXX actress, Brittany Andrews did hundreds of porn films over a 16-year carnal career, and of course my longtime gal pal, Debi Diamond, did close to 20 years in hardcore with over 550 starring roles, she was one of the top porn names in the '80s and '90s. All great girls, really, all of them true legends!

Finally I have to mention that I was inducted by my good friend Craig Valentine, a porn producer/director/stud, while the place was also packed with other porn star presenters, friends and boosters. All in all it was a night to remember, and when all the ceremonies were over, we all got the hell off the stage so a bunch of nude dancers could get up and strip down! What a great way to top off a great evening.

So there it is, an impression of my cock, up on the wall there at Showgirl Video, for all time. What more can I say? Bummed I didn't put my actual cock in the cement? Hey dudes, how about you putting your cock in some quick-drying cement? I didn't think so! Okay, that's it for this time around, see you next time, suckers! □

IT'S GOOD TO HAVE GAS!

Fuel Saving Tips!

With so many people hitting the byways and highways this summer for vacation, work, barbeques, and family outings, vehicular travel is sure to rise. So, why spend more than you have to on gasoline?

The following tips, from the non-profit National Institute for Automotive Service Excellence (ASE), will help save more of your money for fun times at the beach or mountains as you head out on your summer vacation.

Before setting out

- Check your tires. Under-inflated tires or poorly aligned wheels waste fuel by forcing the engine to work harder. Out-of-line wheels, as evidenced by uneven tread wear, should be aligned by a professional.

- Follow the service schedules listed in your owner's manual. Replace filters and fluids as recommended, and have engine performance problems (e.g., rough idling, poor acceleration) corrected at a repair facility. Given today's high-tech engines, it's wise to have this type of work done by auto technicians who are ASE certified in engine performance.

PUMP THIS!

On your trip

- Break the speeding habit. Speeding to your destination can decrease your miles per gallon by 15 percent or more.
- Sudden accelerations guzzle gas, too. Anticipate traffic patterns ahead, and adjust your speed gradually. Use cruise control where feasible.
- Use windows and air conditioning wisely. Your mileage should improve if you keep the windows closed at highway speeds, since air drag is reduced. This is true even with the air conditioning on; assuming that the system is in good working order. But try to avoid using your air conditioner in heavy, stop-and-go traffic.

When you get back

- Make sure you remove all vacation items and clutter right away to reduce the weight your vehicle's engine must push.
- And take off that rooftop cargo carrier. Like closed windows, this will reduce air drag and increase your mileage.

GOODBYE, DEER!

Cabela's Deer Hunt

We know that this game has been around for a few years, but we still dig it and think it's worth a second look.

If you didn't ride it the first time around tell your kids to scoot over and hand you a game controller. It's your chance to go face-to-face with prey right in the comfort of your living room.

The game features 18 action-packed missions that include challenges of both skill and strategy, a variety of deer species, from whitetail to fallow, as well as a vast array of Cabela's gear to assist you in your hunt.

The game also captures the essence of the wilderness by using advanced graphics to recreate the great outdoors, from glistening waters, running streams and moving grass to swaying trees and ambient wildlife.

Experience some of North America's most diverse and popular deer hunting locales, including British Columbia, Colorado, Montana, Nebraska and more. Players must learn the hunting regulations of each region before tracking their trophy. Once the goals of each region are accomplished, you can earn the right to hunt for exotic species of deer, including fallow, sika, axis, and coues, on private property ranches where there are fewer restrictions.

The two modes of game play are Quick Hunt and Career Hunt. In Quick Hunt mode, players get tracking and shooting practice without having to worry about the time or money elements. For a full hunting experience, there's Career Hunt. In this mode, players progress through various regions, unlock missions, have shooting challenges and accumulate trophies.

If you want to take time out from deer hunting, you can test your skills in a variety of clay shooting mini-games that include trap, skeet and sporting clay options.

For more information about "Cabela's Deer Hunt" visit www.activisionvalue.com.

YOU'RE GETTING SLEEPY, SLEEPY. NOW STRIP!

www.hypnogirls.com

C'mon we all fantasized about this. You know, if we could hypnotize chicks what we would do with that power. Well, this guy, Count Spankula has made his (and our) fantasy come true... I'm Count Spankula and I'm a perverted hypnotist.

Ever since I was a young pervert, I dreamt of being able to hypnotize girls and control them through erotic hypnosis. Growing up, I saw the way these hot girls all acted and I thought about how much I would like to change them into horny sluts at my disposal. While in college, I learned how to hypnotize girls, and in grad school I let my perversions run wild.

After a while, I thought about videotaping what I was doing to these girls, and now I decided to put my private erotic hypnosis collection on the web for you to see.

If only he can figure out how to turn us invisible so we could go into the girls locker room!

ANOTHER WAY TO SAVE GAS... DON'T GET LOST! Mio DigiWalker H610

Today's new generation of portable GPS navigators, such as the Mio DigiWalker H610, do far more in helping you make the most of your trip than a basic paper roadmap ever could.

With real-time, voice-guided directions to almost any address in the U.S. and Canada, the DigiWalker H610 allows you to find your destination quickly and easily. Also helpful are the additional 11 million points of interest loaded onto the device that steer travelers to nearby hotels, ATMs,

gas stations, state parks, restaurants and more.

With all the necessary accessories, cables and a car mount included, it can be installed in a car, but its compact size (about the size of a deck of cards) means you can carry it wherever you go. The navigator has separate modes for walking and driving, so you can use it to find your destination by car, then take it with you on a walking tour of the city you are visiting.

It also comes with a three-year subscription to WorldMate, a bundle of travel tools that includes such features as a world weather forecaster and a currency converter, ensuring that you're never caught without an umbrella or with a surprise on your credit card bill upon returning home.

What's unique about the DigiWalker H610, however, is that it is also a digital media player, making it easy to enjoy your digital music, video and all the photos you take on your trip. It also comes loaded with several games to help you pass the time while waiting for your triple skim latte at the corner coffee shop.

It is available through circuitcity.com, bestbuy.com, crutchfield.com and other electronics retailers and sells for around \$500. Visit www.mio-tech.com for more information.

I CAN'T STAND.

A woman goes into a tattoo parlor and tells the tattoo artist that she wants a tattoo of a turkey on her right thigh just below her bikini line. She also wants him to put "Happy Thanksgiving" under the turkey.

So the guy does it and it comes out looking really good. The woman then instructs him to put a Santa tattoo with "Merry Christmas" up on her left thigh.

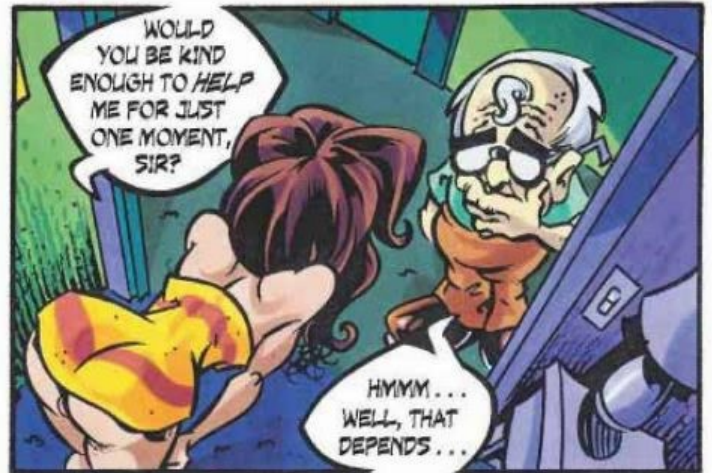

So the guy does it and it comes out looking good, too. As the woman is getting dressed to leave, the tattoo artist asks, "If you don't mind, could you tell me why you had me put such unusual tattoos on your thighs?"

She says "I'm sick and tired of my husband complaining all the time that there's nothing good to eat between Thanksgiving and Christmas!"

Burt couldn't resist the allure of his neighbor's lawn ornaments any longer.

RON AND MARY'S X-RATED PORN THEATER

COMING HOME

STARRING: KIRSTEN PRICE, KAYLA CARRERA, BROOKE BANNER, GIANNA LYNN, JADA FIRE, MIKAYLA, SHYLA STYLEZ, SAVANNAH STERN, VANESSA LANE, BRAD ARMSTRONG, BARRETT BLADE, CHARLES DERA, CHRIS CANNON, CHRISTIAN, DERRICK PIERCE, MARCUS LONDON, RANDY SPEARS, SCOTT LYONS & TYLER KNIGHT

DIRECTED BY: BRAD ARMSTRONG
AVAILABLE FROM: WICKED PICTURES

RUNNING TIME: 180 MINUTES

Shot and mastered in high definition, this porn production takes its story straight from today's headlines as Armstrong's character gets called into the U.S. Army reserves to serve in the war in Iraq. Soon after receiving the letter to report to service in seven days, Armstrong's girlfriend, Kirsten Price, promises to "treat him like a king" and you know damn well what that means.

What follows is a hot blowjob administered by Price's beautiful lips. She then mounts his cock in a reverse cowgirl, before he bangs her from the side. Shit, even I would enlist in the military and risk getting my face blown off for a chance to hit Price and blast a seed shower on her face.

While Armstrong is overseas serving his country, he asks his buddy, played by Barrett Blade, to look after his girl. That's just like a hawk looking after a hen house. While discussing his friend's predicament with his own girlfriend, the sexy Shyla Stylez, proceeds to lock her lips on Blade's woody. Things get turned up a notch as Stylez gets on top of Blade and rides him hard. Although this is a tamer scene for Shyla as compared to past porn appearances, it's still satisfying to see her get cracked around in multiple positions.

Without giving away some of the spoilers in the movie, all I could say is Coming Home is a must own. With a solid story and decent acting for a porno, there is no surprise Armstrong is an award-winning director. At times, the sex seems secondary, but the scenes are so hot they are hard to ignore. If you make one purchase for the remainder of 2007, this should be your choice. It will be money well spent. — Joey Bananas

BAREFOOT CONFIDENTIAL 48

STARRING: VIOLET BLUE, MICAH MOORE,

PAIGE TAYLOR, BREE OLSEN

DIRECTED BY: GLENN BAREN

AVAILABLE FROM: KICK ASS

RUNNING TIME: 93 MINUTES

Attention all you foot and toe sucking perverts! There is another edition of Barefoot Confidential available! For more than six years and four dozen titles Mark Kulkis has provided you with the finest in foot fucking fantasy. Beautiful girls from all walks of life, doff their shoes and socks and give you an intimate look and feel at their precious little piggies. Four more lovely ladies join the ranks of the Barefoot Confidential crew and this time, one of them is pregnant!

Bree Olson stands barely five feet tall and sports a lovely set of size fives. Bree is everything a little pornstar should be, blonde, stacked and ready for anything. Appearing alone at first, Bree shows off her barely legal frame in a skimpy bra and pair of see thru panties. Teasing the camera with her panties pulled down around her ankles, Bree plays with her shaved pussy and ample tits. Once the actions tarts, Bree is a

willing participant in all the foot love her guy can throw her way. Bree gives great footjobs and her guy isn't going to let her stop until he gives her baby piggies a warm spunk bath.

Violet Blue is a few months pregnant and giving off a very sexy and lusty vibe. Normally I wouldn't go for this material, but it's here so I'll watch. Violet spreads her legs and shows off her size six and a halfs. Violet still has the goods, and she ain't shy about letting everyone have a peek. Paige Taylor is all curves in all the right places. The brunette is super hot and her body is perfect, right down to her toes. The long toed cutie with an impressive set of all natural jugs

smirks at the camera to start the segment. This is going to be a solo scene, but you really won't mind. Listen to the sound she makes when she cums, it'll make you scatter your seed all over your fist. Keep this series going! More and more and more please!

— Kyle Rust

CLOTHES FREAKS

STARRING: FRANCHEZCA VALENTINA, SOPHIA LYNN, BRIANNA LOVE, CARMEN MINOR, VICTORIA, LINDSEY MEADOWS

DIRECTED BY: KEVIN MOORE

AVAILABLE FROM: SMASH PICTURES

RUNNING TIME: 166 MINUTES

There is usually nothing more toothpick-under-the-eyelid boring than pantyhose videos, but Kevin Moore has found a way around the ennui of lining up seams in the back.

Franchezca starts off dressed in your East Coast simple black latex dress, suitable for S/M parties or vampire hunting, especially when worn over nothing but elbow length latex gloves and 8" heels fetish boots. Van Damage's dressed like a peasant in his dungarees, and Ms. V. shows us how she would cheerfully impale a vampire by stuffing two gloved fingers up her pussy, causing Damage to pull off her boots and start biting her sweaty feet. Franchezca then puts on some lavender and black striped panty hose and a matching bra (she looks ab fab in everything) to protect her toes.

Carmen dresses down in a midriff top and dungarees, but our director has better things for her to wear that will show off her ass and make Jerry kiss and lick it. Yet does he pay any attention to her red dress? Of course not, other than to grab it for traction in doggy.

Lindsey's a true flirt, especially with Sascha, who's bought his girlfriend some shoes and black underthings. Lindsey just has to take off her sun dress and help him see whether the clothes will fit. This makes Sascha so nervous, he actually becomes unfaithful. Not that it bothers Lindsey, who raids the girlfriend's closet for a pretty green underpants and bra set.

Brianna and Victoria appear to have grabbed everything electric-lingerie.com has in stock. The trick here is that while Mark pummels one of the girls on the couch, the other plays musical clothes with the new goodies. Victoria looks great in a skimpy yellow bikini, which is exactly what a Czech girl who does anal should wear, while Brianna has time to wriggle into a pair of dungarees that are so tight, Mark's forced to rip open the crotch to have at her pussy.

And then there's Sophia, who's gone shopping for thigh high shitkick-er stripper boots and a leather and chains bra and panties combo, the sort of thing that makes Barry want to spit polish and salute everything he sees.

She even lets him cop a feel without punishing him like the bad slave he appears to be,

and afterwards licks up every drop his body possesses, as "nothing that good should ever go to waste." - Dick Freeman

BLOW ME SANDWICH

STARRING: MAYA HILLS, SASHA GREY, ALLISON PIERCE, REBECA LINARES, MAYA GATES, JAMIE TYLER, ROXY DEVILE, LORELEI LEE, FAITH LEON, VANESSA LYNN, VERONICA JETT, TRISTAN, MCKENZEE MILES, AND KELLI TYLER

DIRECTED BY: GREG ALVES

AVAILABLE FROM:

ZERO TOLERANCE

RUNNING TIME:

131 MINUTES

Anybody already familiar with Zero Tolerance's Blow Me Sandwich series should know what to expect from this eleventh entry. If you don't than you obviously weren't paying attention to the previous ten installments, which is pretty much unbelievable. Those who are newcomers should prepare themselves for a shaft-whacking, deep-throating, sperm-blasting extravaganza because this series is not your average POV BJ clunker. These chicks work in pairs, are ravenous for cock, and, as an extra bonus, perform a mini lezzie show before getting down to the serious business of getting their men off.

In scene one, Allison Pierce and Rebeca Linares turn each other on while partially stripping away their clothing, then kneel in front of a naked twelve-incher and go to work using their mouths, tongues, tits, and fists in a twenty minute segment that includes plenty of alternate cock knob pops, double-handed stroking, and gurgling tonsil-tapping until the dude shoots his wad in Allison's maw and she shares it with her horny partner.

The finale, starring Roxy DeVille and Lorelei Lee has is definitely the topper to this flick, however. The girl/girl part is brief, but sizzling, and it's followed by an eye-watering deep throat competition that ends with Lorelei dribbling saliva and scum into Roxy's gaping mouth baby bird style.

There's no way to predict how often you'll detonate while checking out this raucous, over-the-top fellatio fest, so you'd better play it one clip at a time. And don't worry about running out of stimulation.

This DVD is so hot!-Spencer Trent

STIMULA

STARRING: SASHA GREY, JENNIFER DARK, JASSIE, GWEN DIAMOND, CLAIRE DAMES

DIRECTED BY: AXEL BRAUN

AVAILABLE FROM: TERAVISION

RUNNING TIME: 105 MINUTES

Each scene places a focus on one of the five senses. Sasha Grey's "taste" session begins with shots of whipped cream being sprayed into her mouth. Soon Sasha is joined by Jay Lassiter, who is only too eager to treat her to a taste of his throbbing boner, as the camera moves in for a steaming close up of Grey getting her face fucked with long deliberate strokes.

Act two stars Claire Dames and Spyder Jones in a role-playing venture seasoned with dirty talk. The music drops out to give way to the raw and dirty sounds of Dames working Jones' hard dick between her lips, which leads to the solitary sound of his ball sack slapping off her firm ass cheeks.

This is, without a doubt, director Axel Braun's finest work. His "five senses" concept adds dimension to the erotic value of the project, while the director is careful not to let his "style" get in the way of what is an incredible fuck flick.

The sense of touch is explored in the finale as Chris Charming works his hands over the body of the sleeping Gwen Diamond. There's lots of foreplay here as she teases his cock with her fingertips before taking the meat into her mouth. Diamond shows off her special talent when she lifts a foot to her mouth and sucks her own toes while getting fucked, and her feet come back into play later when Charming drops a batch of pearls on her toes and Diamond enthusiastically licks it off.

Stimula is destined to be one of the most celebrated smut features.

—Dan Brown

BUBBLE BUTT TEENS 5

STARRING: BRIANNA LOVE, DOMINIQUE PLEASURES, KRISTINA ROSE, MEGAN REECE, QUEEN B.

DIRECTED BY: JACOB JEWEL

AVAILABLE FROM: T.T. BOY PRODUCTIONS

RUNNING TIME: 154 MINUTES

Leave it to TT Boy to capture five fine curvaceous teens with fantastic pillow sized bubble butts. There's really noting more to this picture than big butts getting fucked by giant cocks. As if you needed anything more than that? A cute brunette, Kristina Rose is sporting some sexy threads, as she shows off her booty in an outdoor setting. Opening up her juicy thighs Alex Gonz finds a tasty treat to slurp on and sets to eating her nice looking pussy. Getting some fingers in her tight gash he works them in and out to her obvious satisfaction. Nipple rings fully exposed, Kristina lets him pull on her tender nipples with his teeth. Kristina gives him some credible head, lubing up his cock with her saliva before he shoves his prick into her doggy style. They get into a flurry of positions with plenty of enthusiasm from both pro fuckers. Alex dumps his seed on her mug and she cleans up his sperm with a blowjob.

A sexy Nubian goddess Dominique Pleasures has ass to spare. Dominique does the required booty shake for the camera with great success. Playing with her pussy gets her deeper in the mood and Rock takes over with some titty sucking. Getting lower Rock plants his tongue in her slit and drives Dominique crazy with his tongue

acrobatics. Dominique's ass is put on display as he puts her head down and ass in the air and pumps her long and deep from behind. They continue to screw like sweaty beasts until Rock erupts a cum volcano on her butt.

Brianna looks like a real whore in her hot little pink outfit, and I say that with all due respect. Brianna's butt shaking is good, but doesn't hold a candle to the other dames. After some serious sport fucking in various positions Domineko pops a load into her face.

Texas sized big butt queen Megan also starts her scene outside with a quality tease. The honey blonde booty shaker has a decent set of tits that get as much attention as her asscheeks. Jay Strokes screws the daylight out of her as they fuck all over a couch.

Queen B brings up the rear as she oils up her ass for prime viewing. Queen can shake her ass like nobody's business. Rock returns to tackle the bubble butt baby and he makes short work of the cock lover. Rock lets loose a big drippy cum blast to run down Queen's asscheeks and bring this movie to a well-deserved ending.

Crazy Old Time Comics

BY SETH FARAK

Jimmy, Bob and I think your proposal for a "Who Has The Strongest Urine Stream Contest" just might be the gimmick to get us out of this financial jam!

The Flemington Daily Chronicle was facing tough times. Readership was down and ad revenue was dropping faster than a testicle who's cranial suspensory ligament had been severed. It was time for some gorilla marketing!

For some men the decision was difficult. Frightened that they would be ridiculed for an embarrassingly weak urine stream many grappled with the challenge for days. Some even lost sleep!

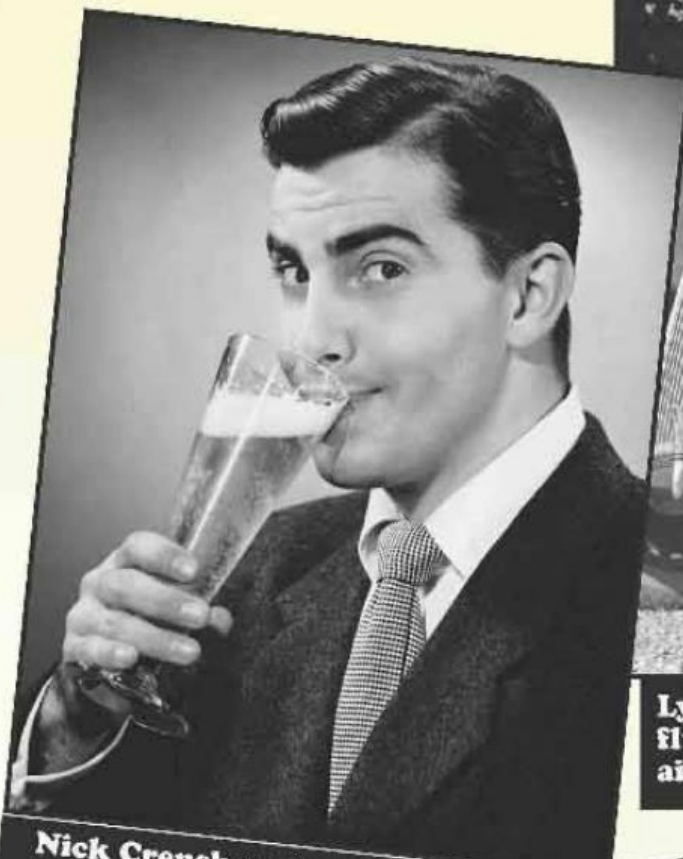

Not Sal & Trevor. Both had always possessed impressive urine streams. In fact they had even commented on each others urine-to-toilet water impact on more than one occasion.

Word of the contest quickly spread across the city and men of all sizes and shapes began to prepare for the competition.

Scott Bryant trained with an old Irishman who taught him the finer points of the "pee jig".

Nick Crenshaw drank endless pints of beer in an effort to expand his bladder. Believing more volume would equate to a stronger urine stream.

Lyle Radison gave up sex, believing that all the fluid in his body, including seminal fluid would aid in him having a more powerful urine stream.

The day of the contest saw the streets of Flemington packed with urine filled contestants!

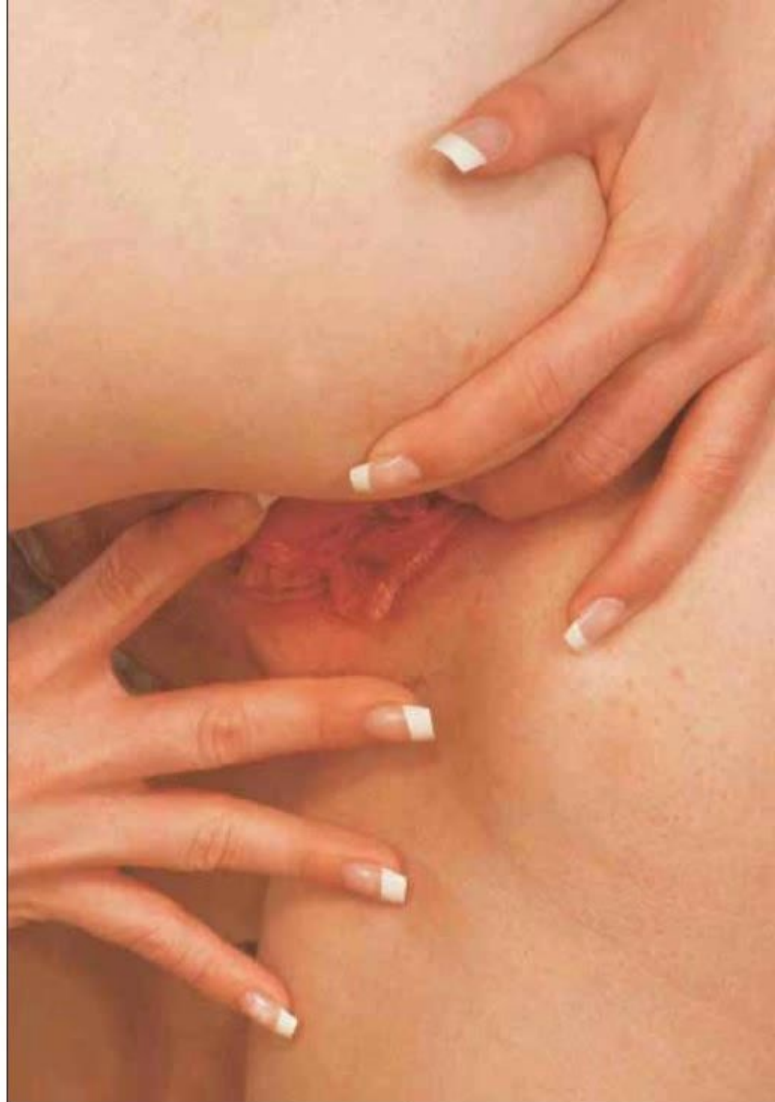

Fifty year-old Harvey Klingston (who in fact has a prostate problem) did indeed win the contest with a spectacular showing of extreme urine stream pressure. Here he enjoys the first place prize with his lovely wife, Elaine. Harvey is undoubtedly eyeing the miniature demitasse spoon and imaging how he can use that to bore out his urethra to gain an advantage for next year's competition.

TALES OF PORNO PAST!

Look, if there was a better gig than Bill Margold's in the '70s, I haven't heard of it! He fucked non-pro girls in movie theaters for fun, pro-girls on camera for cash, then after it all, he'd go out and fuck some more! Hey, this is a true hole, er, role model! Check out "Splayed Out!" and see why!
